Microdermabrasion
Treatment
with
Elena Skelton**

**Prepare for your Ultherapy®
procedure with a complimentary
microdermabrasion treatment.**

Ultherapy® is a non-surgical, non-invasive procedure that uses ultrasound and the body's own natural healing process to lift, tone, and tighten loose skin on the brow, neck, and under the chin.

Microdermabrasion is a minimally invasive procedure used to renew overall skin tone and texture to allow for improved results of your Ultherapy® treatment.

Offer valid in conjunction with a scheduled Ultherapy® procedure with James D Wethe, MD. Cancellation of procedure will forfeit complimentary nature of the offer.
