

How to Write a RealSelf Review

To our dearest patients,

InMode is currently sponsoring a Patient Review Program on RealSelf. RealSelf is a great way to share your personal experience with other patients who may be considering getting a **FaceTite**, **BodyTite**, or **Fractora** procedure.

Writing a review on RealSelf is easy! Follow these simple steps:

1. Go to www.realself.com/review/create. Or click "Write a Review" below.
2. Select FaceTite, BodyTite, or Fractora from the drop-down menu under "Procedure type".
3. Select "Yes" under the question, "Was it worth it?"
4. Write a detailed review outlining your experience with your doctor, the procedure itself, your healing process, and of course your amazing results! Photos are optional but highly recommended so that other patients can visualize what to expect with their procedure.

As a special thank you for completing a RealSelf review on FaceTite, BodyTite, or Fractora, InMode will gift you a **\$50 Amazon gift card**. Simply email InMode (contact info below) with the link to your published review along with your contact information and they will reach out ASAP!
